

# Andrea Silvestri

## SENIOR PARTNER

*Andrea Silvestri, tax lawyer, has been assisting leading companies in tax matters for thirty years. He set up and developed the tax department of a major Italian law firm where he was a partner for twenty years. Adjunct Professor at Università "LUISS – Guido Carli", he is the author of books and several publications in Italian and international tax journals and often takes part as a speaker at national and international conferences.*

*As part of his activity, he assists some of the most important Italian and foreign groups in tax consultancy and litigation, frequently dealing with issues of particular relevance in terms of complexity and value.*
